

CONOVER NEIGHBOR

August 2015

National Night Out

On Tuesday, August 4, 2015, the Conover Police Department will host their 18th annual National Night Out event at Concordia Lutheran Church located in Conover. The program is designed to draw community support for law enforcement throughout the nation. For the past 16 years the Conover Police Department has won national awards for participating in “America’s Night Out Against Crime.”

The featured entertainment for this year’s event will be Woodlawn Baptist Church (Contemporary Music) and Brothers Redeemed. Both groups are from Conover, North Carolina.

We are all concerned about the crime problem in our nation, state, and community. This event allows the participants to inform attendees about crime prevention techniques and about ways to protect themselves from becoming a victim of a crime. Public outreach like Community Watch programs and National Night Out have helped Conover become one of the 50 safest cities in North Carolina.

With your support this year’s event can be bigger and better than ever.

Conover Code Enforcement – Golf Cart Regulations

In March of 2008, the Conover City Council approved the use of golf carts on designated city streets.

Currently all approved streets are in the Rock Barn Golf neighborhoods. A map of the approved streets is available on the City of Conover website under the “How do I” pull down menu on the right side of the home page under the title, “Register a golf cart”. Golf carts are not approved to be driven on streets that are not located within the Rock Barn Golf Community.

In order to drive a golf cart on a city approved street, a registration sticker must be obtained at Conover City Hall. To receive the sticker an application must be completed that contains information about the golf cart owner, the golf cart and insurance information that covers use of a golf cart on a public street. With a correctly completed application and a fee of \$10, you will be issued a registration sticker with a unique number to your golf cart.

The White and Black 2015/2016 sticker, which is good from July 1, 2015 to June 30, 2016, is shown here:

(registration stickers of any other color are now expired).

The registration process has been made to protect people and property on the approved city streets. If you will be driving on these approved streets, please make sure your golf cart is currently registered with the City of Conover.

Planning Ahead:

City Council:	Meets the first Monday of each month at 7 p.m. at Conover City Hall
Planning Board:	Meets the third Tuesday of each month at 7 p.m. at Conover City Hall
